MAKING A DIFFERENCE – SUPPORTING OUR COMMUNITIES

At Shore United Bank (“Company”), we recognize our dual role as a trusted provider of financial services and as a **steward to our communities** to create a positive impact through both charitable donations and volunteer efforts.

The Company’s priority in providing sponsorships is to non-profit organizations and or other businesses that share our community and our strategic initiatives.

“We want to be a partner in the communities we serve to help enrich the lives of others and make dreams come true. We are committed to continuing this work by making connections and providing support to revitalize and transform our communities one dream at a time”.

Jimmy Burke, President & CEO

Youth and Education

As a Company, we believe in supporting financial literacy to empower children and adults with information to make smart economic decisions and allows them to be more familiar and comfortable with banking services. Learning how to manage money can serve as a strong foundation to a successful financial future. To show our commitment to education, we have partnerships with Junior Achievement, Wor-Wic Community College and EVERFI.

Affordable Housing

Support of families and individuals in need of affordable housing is essential in all communities. We work with our business partners who help make this dream a reality in the communities we serve.

Health and Human Services

To help provide food and long-term solutions to hunger and poverty, we support local food banks and pantries in Delaware, Maryland and Virginia.

Ongoing support to local mental health, hospice care and senior centers who provide services to individuals and families in need.

Environment and Agriculture

Support of local environmental programs that provide experiences in nature and provide environmental stewardship to engage people of all ages in conservation efforts.

Arts and Cultural Efforts

Partnerships with local organizations who enrich and inspire others through arts and cultural experiences.

Civic and Community Development

Improve the economic well-being of our communities in partnership with corporations who help to increase productivity, income and to make lives better for future generations.

Animal Welfare

Support of local animal shelters to provide a safe and healthy environment for unwanted animals.
